

OD-MINE

Calcium, magnesium, potassium, selenium, iodine, glycerol

DATA
SHEET

USES

A ready-to-use complementary dietetic feedstuff for dairy cows post-calving, containing calcium, magnesium, potassium, glycerol, sodium chloride, selenium and iodine. Ideal for use in cows with, or at risk of, milk fever (parturient paresis).

BENEFITS

- Ready-to-use formulation
- Easy to administer
- Supports the recovery of hypocalcaemic and/or hypophosphataemic cows
- Supplies glycerol at a time when the cow has an increased demand for energy
- Supplies trace elements which are important for health and which may be depleted during and immediately after calving, such as selenium and iodine

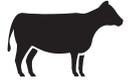

LIST No
1ODM001

PACKAGING SIZE
500ml

See reverse for Administration

OD-Mine

Calcium, magnesium, potassium, selenium, iodine, glycerol

OD-MINE

Calcium, magnesium, potassium, selenium, iodine and glycerol.

USES

A ready-to-use complementary dietetic feedstuff for dairy cows post-calving, containing calcium, magnesium, potassium, glycerol, sodium chloride, selenium and iodine. Ideal for use in cows with, or at risk of milk fever (parturient paresis).

PRESENTATION

500ml ready-to-use formulation, supplied in a plastic bottle

TARGET SPECIES

Dairy cows, post calving

ADMINISTRATION

- Shake before use.
- Administer 1 x 500ml bottle orally to the adult dairy cow, after calving.
- Administer the bottle slowly.
- Repeat once a day for no more than five days.

COMPOSITION (PER 500ML BOTTLE)

Calcium chloride, magnesium chloride, monopotassium phosphate, glycerol, potassium chloride, sodium chloride, selenium and iodine.

ANALYTICAL CONSTITUENTS

• Moisture.....	72.5%
• Crude ash.....	17.8%
• Sodium.....	1.4%
• Magnesium.....	1.1%
• Crude protein.....	< 0.1%
• Crude fibre.....	< 0.1%
• Crude fats.....	< 0.1%

ADDITIVES PER KG

Nutritional additives. Compounds of trace elements

- Selenium as *sodium selenite*.....10 mg
- Iodine as *potassium iodide*50 mg

STORAGE INSTRUCTIONS

Keep dry, away from light, frost and heat. Store below 25°C.

SPECIAL PRECAUTIONS FOR USE

- Keep out of sight and reach of children.
- Only use for stated species.
- Before use, it is advisable to seek the advice of a veterinarian or nutritional expert.
